Coveted stunning mid-century modern style home is perfect for those seeking primary living on one level. This impeccably kept custom ranch has an open floor plan and sweeping walls of windows that showcase the natural surroundings. The main living level features a chic entry foyer with dramatic open staircase to the lower level; a modern kitchen with granite counters and maple cabinetry; an open family room with beautiful stone fireplace and sliders to one of two expansive outdoor decks; a formal dining room with built-in buffet; a large living room with sliders to a secondary deck; a primary suite with two California closets and private access to the outdoor deck, a luxurious primary bath with spa tub, sumptuous shower and heated floors; a second bedroom adjacent to a half bath with room to easily expand to a full bath and a laundry room with access to a second half bath. Also conveniently located on the main level is entry to the oversized two-car garage and a second lower level staircase. The walk-out lower level features three additional bedrooms, a full bath, an expansive recreation room and sunroom with access to the outdoor patio as well as a storage room and workshop. Added bonus is the whole-house generator and security system with exterior cameras. Come and enjoy all that Bridgewater has to offer with its upscale shopping and dining and easy access to major commuting routes.
